

Hodads, Diamond Minds and The Ryan Bowers Foundation

PRESENTS

Ryan Bowers

-You Are Not Alone-

Suicide Prevention Run/Walk

Dear Friends,

*We are excited to invite you as a sponsor to the **You Are Not Alone** run/walk, in honor of our beloved Ryan. We are determined to continue his legacy by commemorating life with a community campaign for mental health and suicide prevention.*

The Ryan Bowers Foundation is committed to tackling the pressing crisis of mental health illness, self harm, suicide and drug overdose. We are on a mission to bring unique and **solution based** activities to communities across the nation in Ryan's name, starting in his home town of Ocean Beach, California.

It is a pleasure to partner with The Hodads foundation and Diamond Minds again!

On Sept 17th, 2023 we will hold our 2nd Annual **You Are Not Alone Run/Walk** on Newport Ave. We're calling upon the community to take part in this run/walk. Our goal is to host 1,000 runners and walkers on that day, inviting them to participate and take advantage of the many activities that will be available, such as but not limited to:

- We will be closing 4.5 Miles of street from Newport Ave to the end of Sunset Cliffs and back!
- The route will be filled with art and colors as we simulate traveling through all 7 chakras
- Mental Health Village (mental health resource booths, a meditation area, yoga classes, massage booths, free creative art space, etc.)
- Live music
- Obstacle course on the beach
- Cpr First Aid Training
- Food vendors
- Live art
- Pop up art gallery
- Special guests
- And much more!!

Our supporters make our impact possible. We're extremely grateful and encourage you to give as you can. Your contributions will be used to fund the **You Are Not Alone** event.

With your help, we look forward to having a positive impact on people's lives who are suffering from mental health issues.

This event is an effort to help in each other's healing through laughter, good times, education and support.
